A Commercial Interest is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. Contracted services for a commercial interest by a third party (eg consulting for a marketing agency for a commercial interest, legal witness for or against a commercial interest), or clinical services directly to patients are considered commercial interests.

A Noncommercial Interest is any entity asserting interest in the regional anesthesia and/or pain arena that may influence/compete/collaborate with ASRA Pain Medicine's work toward the mission or your role within ASRA Pain Medicine. This may include other medical or healthcare societies, other regional anesthesia or pain meetings, Think Tanks, serving as a legal expert for a noncommercial interest, and similar relationships.
