45th Annual Regional Anesthesiology & Acute Pain Medicine Meeting

April 23-25, 2020 | #ASRASPRING20

Hilton San Francisco Union Square | San Francisco, CA

Dear Colleagues,

Welcome to the 45th Annual Regional Anesthesiology and Acute Pain Medicine Meeting taking place April 23-25, 2020, in San Francisco, California! We are extremely excited for you to experience the incredible program we have put together. By listening to our members, we have created lectures, interactive sessions, and workshops geared towards your needs as our acute pain specialty continues to evolve into the future. We are eager to introduce new faculty experts while still honoring those that have built our specialty to what it is today.

As acute pain physicians we are uniquely positioned to be the leaders in perioperative medicine. We are going to fully evaluate our integral role as drivers in enhanced recovery and what role opioids play in perioperative pain management in light of the current opioid epidemic. As the PACU is not the finish line, we have brought together leaders in our field to discuss our impact on outcomes, the pain trajectory and predicting postoperative pain, the transitional pain service, and novel therapies including cannabinoids, next-generation opioids, and complimentary integrative medicine.

And, as the acute pain service moves into the future, so does regional anesthesia. ASRA is dedicated to not only embracing our tradition with comprehensive experience in upper and lower extremity blocks, but continuing to introduce new techniques that can greatly help our patients, including erector spinae blocks, retrolaminar blocks, costoclavicular blocks, iPack blocks, pectoralis blocks, quadratus lumborum blocks, and more. Open scanning sessions and master classes in both adult and pediatric regional anesthesia will give participants of all levels time to further hone their skills and learn from our experts. Is the ultrasound the new stethoscope? Point of care ultrasound experts will debate this topic as well as help participants get hands-on experience in PoCUS. We've invited orthopedic surgeons to give their perspective on enhanced recovery and pain management in ambulatory joint surgery, joint revision surgery, and spine surgery.

We have continued the Practice Management Portofolio (PMP) to help anesthesiologists ensure viability and accountability of their regional and acute pain services in this challenging healthcare environment. We have also designed a special session on recognizing and combatting burnout and enhancing physician wellness as it continues to plague medicine as a whole.

As we embrace the future of regional anesthesia and acute pain medicine in this innovative program with expert faculty and amazing networking opportunities in the city by the bay, the 2020 Spring ASRA meeting cannot be missed! We cannot wait to see you there!

Kind regards,

Jaime L. Baratta, MD
Chair, Scientific/Education Planning Committee 2020

Assignment of Space/Priority Points System

Priority for space assignment is based on points awarded via official ASRA Guidelines for Assignment of Space. To benefit from the points system, the application for exhibit space must be received before December 10, 2019. Space will then be assigned on a priority points basis. Exhibitors will receive confirmation of space the week of January 17, 2020.

Applications received after January 17, 2020 will be assigned on a space-available basis in order of date received. ASRA reserves the right to assign the next best substitute space when the requested space is not available. Because it is not always possible to contact each company for new selections of space, please do not concentrate all choices in one area of the exhibit hall. Applications can be made by e-mail, mail, express service, or fax. No assignments will be made without a deposit check.

How to Earn ASRA Priority Points

Corporate Partner	4 points
RA-Acute Pain Meeting Exhibitor*	1 point **
Pain Medicine Meeting Exhibitor	1 point **
Marketing Opportunities	
Promotional Support	1 point

* Prerequisite for obtaining any meeting space during Pain Meeting

** per 10' x 10' booth

ASRA Guidelines for Assignment of Space:

The priority points system has been established to fairly assign space at all ASRA meetings and events. Point totals are based on the 12 months preceding December 10, 2019, the date booking forms must be received to benefit from the point system.

- All requests for space must be submitted by the sponsoring company via the official booking form.

- Earliest submitted forms will have preference if companies reach equal point totals. If forms arrive on the exact same date, ASRA reserves the right to assign space based on a company's previous support of ASRA.
- All official ASRA space requirements will be met prior to any assignment of space required by industry.
- Assignment of exhibit hall exhibit space will begin after December 10, 2019.
- Assignment of other function space will begin January 28, 2020 approximately 75 days prior to event.
- All independent industry-sponsored events affiliated with the ASRA meeting must be approved and not compete with official ASRA events. Failure to have approval may result in exclusion from all ASRA meetings and events. Based on the available facilities, no request is guaranteed until confirmed by ASRA in writing.

Additional Space Requests: Requests for meeting space for company meetings, symposia, or hospitality activities must be sent to ASRA c/o Show Management. Space is assigned according to ASRA official guidelines. All requests must be in writing.

Adjustment Of Exhibit Floor Plan

ASRA floor plan is tentative and subject to change. ASRA reserves the right to add or remove booths if necessary.

Hotel Reservations

What is the room rate for the Hilton San Francisco Union Square?

ASRA has secured the exceptionally reduced rate of **\$265** for single/double sleeping rooms. Book early as the ASRA room rate is cheaper than standard rates. The block will fill quickly and the rate is only available until Monday, **April 2, 2020**.

How do I make my own hotel reservations?

To book your room online at the ASRA reduced rate, please visit <https://www.asra.com/>

Exhibitors/industry partners requiring more than 5 sleeping rooms per night will be required to sign a sub block form to secure hotel rooms at the venue.

Important: Only reserve your room via the link or telephone number above. Please do not entertain anyone who calls you directly and identifies themselves as being an ASRA housing bureau. They are not associated with ASRA and are often fraudulent. If you do receive a phone call of this nature, please alert ASRA at asrameetings@asra.com.

ASRA's meeting website — Onsite signage
Printed meeting materials — Mobile App**

ANCILLARY EVENTS

Guidelines for Industry Supported Non-CME Ancillary Events

ASRA has established that Industry Supported Non-CME Ancillary Events can take place in conjunction with ASRA's 44th Annual Regional Anesthesiology and Acute Pain Medicine Meeting. These sessions are designated as non-CME ancillary events and will be charged a one-time access fee per time slot.

General Information

Any educational session directly influenced, organized, or financed by industry will be considered a non-CME ancillary event.

Non-CME Ancillary Event: A meeting that includes educational content, however does not include the option for participants to earn CME credit for attending.

- The topic and speaker selection is to be submitted to ASRA for approval at least two months prior to the activity.
- ASRA will have separate times for non-CME ancillary events that do not compete with official ASRA educational sessions. We will limit the number of non-CME ancillary events to take place in any given time slot and provide exclusivity for a limited number of time slots to maximize attendance.
- ASRA will provide on-site signage reflecting the schedule of non-CME ancillary events and will include this information in the official program guide and the meeting area of the website (www.asra.com), assuming the information is provided prior to the publication cut off of February 14, 2020. Titles and funding information will reflect the information submitted on the ancillary event overview form. If titles and funding information are not received by the cut off, ASRA will use the information provided on the booking form for the website and meeting materials.
- All food and beverage is arranged and paid for directly to the facility by supporting company.
- The assignment of all meeting space is based on ASRA guidelines.
- ASRA will confirm space assignments in writing to all participating companies.
- Non-CME ancillary events will be clearly indicated in meeting materials as: "Non-CME ancillary event organized by: Company ABC".
- Promotional/marketing materials created by the company must include: "Non-CME ancillary event organized by: Company ABC"

- ASRA provides the following disclaimer information to all participating companies. The disclaimer must be printed on all promotional materials for ancillary events supported by any group other than ASRA.

"The American Society of Regional Anesthesia and Pain Medicine (ASRA) has provided space for this non-CME ancillary events. The program was independently produced, not subject to review by ASRA, and is not part of the scientific/educational program offered by ASRA."

- If an agency/third party is securing space on behalf of a company, verification of appointment must be submitted with the request. The verification must be by an authorized agent of the company.
- Non-CME ancillary events will be assigned based on the time slot selected, competing topics, required meeting space needs, and date request was received.
- Function space is limited. ASRA reserves the right to assign the next best substitute timeslot when the requested timeslot is not available. Booking forms can be sent by e-mail or fax. Submitting a booking form does not guarantee assignment. Assignments and confirmations will not be provided without payment in full.
- The deadline for receipt of non-CME ancillary event booking forms is January 28, 2020. If you require space after that date, contact Jack Edelman to confirm availability.
- Meeting space will be confirmed in writing to the individual listed on the booking form 75 days prior to the show. Once space is assigned, you will work directly with the facility and ASRA's audio visual vendor on your event. Facilities may require deposits to confirm space assigned by ASRA.
- Cancellation of function space will result in cancellation fees to be paid in accordance with the established cancellation policies outlined.

Non-CME Ancillary Event Access Fees

The access fee applies for each session even if a company holds more than one session. No space will be confirmed without payment in the full amount. The access fee \$25,000-\$29,000 is based on the timeslot selected. Checks must be made payable to ASRA.

Access Fee of \$25,000-\$29,000 Includes the following \$17,250 of value added services

- Pre-meeting registration mailing list (addresses only) approximately 30 days prior to meeting (\$1,000 value)
- Pre-meeting designated mail shot for the ancillary event sessions. The pre-meeting mail shot will be sent by ASRA on the industry supporter's behalf and will include all ancillary event session information. RSVP link to supporter can be included. (\$2,000 value)

ANCILLARY EVENTS

- (1) Badge scanner to track attendee attendance. (\$500 value)
- Standard A/V set. (\$9,000 value)
- Attendee bag insert for session invitation (invitation provided by supporter and subject to approval) (\$1,750 value)
- Meeting space rental (\$2,500 value)
- ASRA will provide on-site signage reflecting the schedule of ancillary events (\$500 value)

Non-CME Promotional Time Slots

Exclusive PLENARY Sessions

There will not be any sessions competing with the following time-slots.

- Friday, April 24, 7:00-7:45 am (plenary) - \$25,000
- Saturday, April 25, 7:00-7:45 am (plenary) - \$25,000

There are only two available – Book Early!

PARALLEL Lunch Sessions

Concurrent with another ancillary event.

- Friday, April 24, 12:00 -12:45 pm (parallel x 2) - \$29,000 each

Slight schedule changes may occur with the times listed above.

Meeting Room Sets

All meeting space during ASRA's Annual Meeting is controlled by ASRA and this space may be used for other society functions during the course of the conference. If you request a change to the established room set (typically rounds) for your event, you must first have ASRA approval and any costs associated with the set changes and returning the rooms back to its original set are your financial responsibility. Due to the number of events, it may not be possible to change a set based on time constraints and when the next event takes place. In order to satisfy all meeting space requests, standard sized room sets may be required and will be established by ASRA if deemed necessary. ASRA reserves the right to change meeting space assignments to benefit the meeting. Changes in meeting space will be communicated in writing to the participating companies and will not be made after 30 days prior to the conference.

Audio Visual Equipment for Non-CME Ancillary Events

ASRA must effectively use the meeting space for the ancillary events. To accommodate the multiple events, we have established the following AV policy: ASRA reserves the right to pre-set rooms for Society events with audio visual equipment that cannot be moved or dismantled without approval. The cost of the AV set is included in the ASRA access fee. All non-CME ancillary events are required to use the ASRA audio visual supplier. All rooms will be provided a "standard AV set" that includes the following. Note the number of screens per room will be determined based on the size of the meeting space.

Technician Support

You have the option to utilize your own technician support for your event at your cost. The initial audio visual set must stay in place and not change. You may add to the set and any additional items will be added and removed at your expense. Any additional equipment added to your event must be removed immediately following your event. Any slide review or practice sessions may incur additional costs at your expense.

Ancillary Events Miscellaneous Meeting Space

All ancillary events must receive ASRA authorization, whether they require meeting space or are being held off premises. A prerequisite to obtain meeting space is participation as an exhibitor. If an agency/third party is securing space for the exhibiting company, verification from the exhibiting company must be submitted with the completed booking form along with the appropriate access fee of \$1,500 per room per day for all events listed unless otherwise noted.

Miscellaneous Ancillary Events Include:

Advisory Board Meetings: A small gathering of corporate board members, which may also include some meeting participants in the field of discussion.

Focus Group/Marketing Research: A small meeting designed to evaluate services, test new ideas, and gather market research.

Corporate/Staff Meetings: Company employees only - no attendees.

Private Show Rooms: A small meeting designed to showcase products and services in a controlled private environment to ASRA attendees.

Hospitality Suites: In order to provide exclusive time slots for social events and hospitality suites, ASRA will designate time frames to hold these events. The established times will not compete with official ASRA educational offerings or events. Failure to hold a social event or hospitality suite during the designated hours may result in the loss of "Priority Points." Disregard for any rule stated here may prohibit any exhibitor from participating in all future ASRA events. All companies holding a social event must notify ASRA c/o Anthony J. Jannetti Inc. and be approved, even if meeting space is not requested, and an unofficial venue is being utilized.

ANCILLARY EVENTS

Blackout Times for 2020

Organizations may not hold functions (on or off premises) during the defined “blackout” times unless approved by ASRA. ASRA will strictly enforce the blackout times. Failure to have approval to hold any event in these established time frames may result in loss of priority points or exclusion from all ASRA meetings and events. The “blackout” times do not apply for exhibitor staff/preconference meetings; however, an application must be submitted for approval.

2020 Blackout Times

Wednesday, April 22	6 am–9 pm
Thursday, April 23.....	6 am–9 pm
Friday, April 24.....	6 am–9 pm
Saturday, April 25	6 am–9 pm
Sunday, April 26	6 am–2 pm

Assignment of Meeting Space

This is based on points awarded via official ASRA “guidelines for assignments of space.” To benefit from the priority system points, the application for meeting space must be received before January 28, 2020. Applications received by January 28, 2020, will be allocated space on a priority basis. Applications received after January 28, 2020, will be assigned on a space-available basis only in order of date received.

ASRA reserves the right to assign the next best substitute timeslot when the requested timeslot is not available. Since it is not always possible to contact each individual company for new timeslot selections, please make multiple choices on your application. Applications can be sent by e-mail or fax. Submitting a request does not guarantee assignment. Assignments and confirmations will not be provided without payment in full.

Guidelines for Assignment of All Exhibit and Meeting Space

The following point system has been established to fairly assign exhibit space and ancillary event function space at all ASRA meetings and events. Earned priority point totals are based on the 12 months preceding application for exhibit and meeting space.

ASRA Priority Points

Corporate Partner	4 points
Regional Anesthesiology-Acute Pain Meeting Exhibitor*	1 point **
Pain Medicine Meeting Exhibitor	1 point **
Marketing Opportunities Promotional Support	1 point

* Prerequisite for obtaining any meeting space during Regional Anesthesiology Meeting

** per 10' x 10' booth

1. All requests for exhibit and ancillary event function space must be in writing, and must come directly from the sponsoring company or institution or a verified third party.
2. Earliest dated written request will have preference if companies reach equal point totals. If requests arrive on the exact same date, ASRA reserves the right to assign space based on a company's previous support of ASRA.

3. All official ASRA space requirements will be met prior to any assignment of space required by industry.
4. Assignment of exhibit space will begin approximately 100 days prior to event.
5. Assignment of function space will begin approximately 75 days prior to event.
6. All independent industry-sponsored events affiliated with the ASRA Annual Meeting must be approved and not compete with official ASRA events. Failure to have approval will result in exclusion from all ASRA meetings and events. Based on the available facilities, no request is guaranteed until confirmed by ASRA in writing.

Payment/Cancellation

Payment in full of the access fee is required at the time the application is submitted. Checks should be made payable to ASRA and mailed to East Holly Avenue/Box 56, Pitman, NJ 08071.

All cancellations and/or reductions in space must be sent in writing to Jack Edelman at jack.edelman@ajj.com

ASRA shall retain:

- 25% if the cancellation/modification is made before January 28, 2020
- 50% if the cancellation/modification is made between January 28, 2020 - February 25, 2020.
- 100% if the cancellation/modification is made after February 25, 2020

Should any contingency prevent holding of the meeting, neither ASRA nor Anthony J. Jannetti, Inc. shall be held liable for any expenses incurred by the company requesting space. ASRA reserves the right to make final decisions on all points that the rules and regulations do not specifically cover.

CME POLICY

CME Policies on Separation of Promotional from Educational Activities

Exhibit and Promotional Activity Fees Shall be Separate and Distinct From Commercial Support

- Complimentary exhibit and/or promotional activities will not be provided to those companies providing commercial support (educational grants or in-kind support)
- A separate and distinct fee must be paid for exhibit space or other promotional activities during the activity for which support was provided

Separation of Promotional Activities from the Physical Space and Place of the Educational Activity

- Absolutely no promotional activities will be permitted in the same room immediately prior to, during, or after a CME activity
- Exhibit materials must be in a room or area separate from the education and the exhibits must not interfere, or in any way, compete with the learning experience
- All promotional activities including interviews, demonstrations, and the distribution of literature or samples must be made within the exhibitor's space only; canvassing or distributing promotional materials outside the exhibitor's rented exhibit space is not permitted
- Specific times are established for exhibit viewing and/or other promotional activities (including industry supported satellite symposia)
- Food and beverage may be served by ASRA in the exhibit hall in order to encourage interactions between attendees and exhibiting companies

Separation of Promotional Activities from the Educational Course Materials

- ASRA does not include any product promotional information in its educational materials that are used to support learning during a CME activity (copies of slides, handouts, abstracts, etc.)
- Exceptions to this include:
 - The required commercial support disclosure (company name only, no trade names or product group messages)
 - Logistical information such as the time/location of industry organized ancillary events, exhibitor listing, etc.
- Promotional information is only allowed in logistical support materials (printed program guide, tote bag, etc.). Promotional materials in the program guide will be grouped in a section in the back of the program. All such materials must be distributed outside the educational meeting room

Non-CME Ancillary Event Guidelines

- Any educational session directly influenced, organized, or financed by industry will be considered an industry organized non-CME ancillary event.
- Separate times for non-CME ancillary events (not competing with ASRA educational sessions) will be made available.
- The content outline and speaker selection must be submitted to ASRA for approval (by the Scientific/Education Planning Committee) two months prior to the activity.

- Industry supported non-CME ancillary events will be clearly indicated in the meeting timetable/program as: "Non-CME ancillary event organized by..." (the term "sponsored" is not to be used)
- Promotional/marketing materials created by the company must include:
 - "Non-CME ancillary event organized by: Company ABC"
 - "The American Society of Regional Anesthesia and Pain Medicine (ASRA) has provided space for this non-CME ancillary event. The program was independently produced, not subject to review by ASRA, and is not part of the scientific/educational program offered by ASRA."

Company Representative Session Attendance Guidelines

- Commercial Support (grants and/or in-kind):
 - Complimentary registrations will not be provided to those companies providing commercial support; a separate and distinct fee must be paid for attendance during the activity for which commercial support was provided
- Exhibition and Promotional Support:
 - Companies paying the exhibit fee will receive a pre-determined number of exhibitor badges, depending on the size of booth space purchased
 - Exhibitors are allowed to attend the main meeting sessions at no charge (priority seating to paid participants); standard registration fees must be paid for participation in PBLD's, workshops, special events, etc.
 - In order to receive CME credit, the company representative must register as a learner and pay the appropriate fees
 - Absolutely no promotional activities or conversations will be permitted in the educational rooms immediately prior to, during, or after a CME session
- In-Kind Technical Support:
 - In-kind support is sought from multiple companies, except when other equal but competing products or services are not available, therefore, representatives from multiple companies will participate
 - A limited number of technical support badges will be provided for those companies providing support in-kind, requiring representatives to demonstrate the operational aspects or ensure proper functioning of a device
 - Participation is managed in strict compliance with the ACCME's Accreditation Criteria and Standards for Commercial Support
 1. ASRA is responsible for all decisions regarding the educational elements (planning, content, faculty selection, presentation, evaluation, etc.). Industry representatives in no way influence any portion of the CME activity; including how the in-kind support will be used or allocated to the educational sessions.
 2. Industry employees shall be easily identifiable by their company and meeting badges.

CME POLICY

CME Policies on Separation of Promotional from Educational Activities

3. The industry representative shall only contribute technical information about the use of the equipment.
4. The industry representative shall NOT expand their input into areas of clinical medicine, e.g.:
 - No indications for use
 - No comparisons between competing products
 - No comparisons between the device, invasive surgery, and/or medical treatment
5. ASRA's faculty and staff provide strict supervision to ensure proper professional behavior by industry representatives.
6. ASRA reserves the right to physically limit the technician's access to the educational setting; requesting the technician's participation only when questions arise or further assistance is needed.

Commercial Interest May Not Be the Agent Providing Access to the CME Activity

- ASRA never uses a commercial interest as the agent providing a CME activity to learners (distribution of self-study CME activities or arranging for electronic access to CME activities)
- ASRA may provide a commercial interest with a limited number of brochures for audience generation only, but this is never the sole marketing method (others include direct mail, email promotions, etc.)

Onsite Monitoring

The separation of promotional materials and activities from the educational arena is strictly enforced throughout the activity by ASRA's onsite staff.

ABOUT

The American Society of Regional Anesthesia and Pain Medicine (ASRA) is the largest subspecialty medical society in anesthesiology. It is our vision to be the leader in regional anesthesia and acute and chronic pain medicine through innovations in education and research. Our mission is to advance the science and practice of regional anesthesia and pain medicine. We do that by addressing the clinical and professional educational needs of physicians and scientists; ensuring excellence in patient care utilizing regional anesthesia and pain medicine; and investigating the scientific basis of the specialty.

The American Society of Regional Anesthesia was founded on August 2, 1923. The Society was reborn in 1975. There are approximately 4,000 members, including physicians and scientists and a rich international distribution.

- Education – in regional anesthesia and pain management
- Research – in regional anesthesia and pain management
- Pain Medicine – grounded in continuing education and quality scientific research
- The symbols or icons merely expand upon the mission and emphasize the historical developments of regional anesthesia and control of pain

- Poppy Pods – are a reminder of the unique role of opium and its alkaloids for the control of acute and chronic pain
- Open Books – represent the recording of scientific knowledge and dissemination of the critiqued information to the medical community
- Syringe – symbolizes technical aspects of the practice of regional anesthesia and pain management
 - The finger rings emphasize the need for exquisite control and safety

The logo of the American Society of Regional Anesthesia and Pain Medicine depicts the core of the Society's mission and includes features that embellish the essence of that mission in a symbolic way. The Triangle – represents the three interconnected functions of the Society:

The overall shape of the Logo is in the form of the point of a needle, representing another essential tool for regional anesthesia, and the diamond shape dimensions emphasize precision and durable quality.
